PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN.

This formulary was updated on 10/01/2025. To reach member services, please call **833-CNY-GOLD** (833-269-4653) (TTY: **711**). Our hours are Monday to Friday, 8 am to 8 pm, and Saturday, 8 am to 1 pm.

HMO Preferred Plan Full Rx 2-Tier Formulary (Gold Rx Grandfathered Plan)

2025 Comprehensive Formulary

(List of Covered Drugs)

PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN.

Thank you for being an EmblemHealth member. This guide tells you about the list of covered drugs in your plan. This list is called a formulary. It is up to date as of 10/01/2025. Please note: This list may change over time, such as when:

- We add a new, less costly drug.
- We remove a drug that may no longer be as effective as other drugs.

Which drugs are included in the formulary?

Our list of covered drugs includes both brand-name drugs and generic drugs. The brand name is the name the drug company gave the drug. For example, the brand name of acetaminophen is Tylenol. Generic drugs are the low-cost version of the brand-name drug.

How do I get the drugs listed in the formulary?

We generally cover the drugs listed as long as that drug is “medically necessary.” Being “medically necessary” means that you have to take the drug to stay healthy. Your maintenance drugs must be filled at either Duane Reade/Walgreens, or by mail through our home delivery partner, ExpressScripts. Maintenance drugs are medicines you take regularly, for example if you have a chronic condition like high cholesterol or high blood pressure.

What if I don't see the drug I need?

If your doctor orders you a drug that is not listed in this formulary, please call **833-CNY-GOLD** (833-269-4653) (TTY: **711**). We can review your doctor's request and decide if we will cover your drug. Our hours are Monday to Friday, 8 am to 8 pm, and Saturday, 8 am to 1 pm. Our Gold Line agents will be happy to help.

How do I use the formulary?

This formulary lists drugs from A to Z.

- Generic drugs are italicized and spelled out in lowercase letters.
- Brand-name drugs are not italicized and spelled out in all caps, or uppercase letters.

This formulary will also tell you which tier your drug belongs in. The chart below shows you what each tier means.

Tier	Explanation
ACA	\$0 cost-share preventive drugs (there may be some limits on these drugs; see below)
Tier 1	Generic
Tier 2	Preferred brand

What are generic drugs?

Generic drugs are the low-cost version of a brand-name drug. Generally, a pharmacist will fill the generic type of the drug your doctor ordered if it is available. This may happen **even** if your prescription is written for a brand-name drug.

If you want the brand-name drug, be sure your doctor tells the pharmacist to give you the brand-name drug. When this happens, you may have to pay the copay, or the set amount you pay, for the generic drug, plus the cost difference between the brand-name drug and the generic one.

Are there any limitations on my coverage?

A medicine listed in this guide does not mean we will pay for it. For example, some drugs may need prior authorization, or approval, for us to pay for them. In other cases, we may only pay for certain amounts or strengths. These drugs will have initials after their names.

HMO Preferred Plan Full Rx 2-Tier Formulary

Below is a list of abbreviations that explains what the initials mean.

List of abbreviations

Below is a list of abbreviations that may appear on the following pages in the Requirements/Limits column. They tell you if there are any special requirements for coverage of your drug.

Brand: Brand Drug

Generic: Generic Drug

PA: Prior Authorization. The plan requires you or your doctor to get approval before you fill your prescription. If you don't get approval, we may not cover the drug.

QL: Quantity Limit. For certain drugs, the plan limits the amount of the drug that we will cover.

ST: Step Therapy. In some cases, the plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.

ACA: There is no cost-sharing if this is the right drug for your age, condition and the way the drug is being used.

LA: Limited Availability. You may only be able to get this drug at some drug stores.

Can I get my drugs by mail order?

Our pharmacy partner, Express Scripts, can help you get drugs sent to your home. Mail order may save you money if you refill the same drugs each month and think you will be on the same drug(s) for six months or longer. To learn more, visit emblemhealth.com/pharmacy.
